The ALS Ice Bucket Challenge by Trump and Bill Gates

Top of Trump Tower

Trump: I've been called out by everybody for the ALS ice bucket challenge. Simpson, Mike Tyson, Vince McMahon, like everybody's going crazy over this thing. I guess they want to see whether or not it's my real hair which it is. So here's what I'm gonna do. Miss Universe and Miss USA, I own it. They're gonna really do a number on me. I'm challenging president Obama, my son Donald, my son Eric. Let's go, ladies. What a mess.

Home

Bill Gates: I'm here to join the people bringing attention to Lou Gehrig's disease by taking a ALS ice bucket challenge. I'm going to challenge three more people, Elon Musk, Ryan Seacrest, Chris Anderson of TED. Consider yourself challenged. You have 24 hours. Good luck.

Notes
---

[1] Consider yourself challenged 是祈使句。完整句子是：You consider yourself challenged. 你就认为你自己被挑战了吧

[2] "whether or not" 可以简化为 "whether"

[3] 因为后面出现了 which it is 所以使用了 whether it's my real hair 否则可以使用 whether my hair is real
